

It's 5:00 p.m. on a Wednesday evening and you need help with math homework. You're stumped, and the homework is due in the morning.

What can you do?

Homework Help is Available!

At the Library

The Library's Free Homework Assistance Program has been serving students in grades 6-12 since 2003. They come in to the **Teen Zone** for help with any subject - math, science, vocabulary and more! Our homework assistants are local high school students with a lot of experience helping kids with homework.

Assistance is available after school with no need to sign up in advance:

| | |
|-------------------------------|----------------------------------|
| Mondays through Thursdays | 3:30-6:00 p.m. English & Spanish |
| Monday and Wednesday evenings | 6:00-8:30 p.m. English only |

Online

Brainfuse/Help Now – free online homework help is available through the Library website www.mountainview.gov/library with a Mountain View Library Card. Live online homework help is provided for students in grades 3 through College. Choose a tutor that speaks English or Spanish and get help seven days a week from 2:00-9:00 p.m. Additional services include practice tests and critiques of a student's written work. Start on our homepage to find Brainfuse. Click on the Resources Online link on the left sidebar and look for Brainfuse/Help Now under Homework Help.

For more information about these programs contact Marie Richardson, Teen Services Librarian, marie.richardson@mountainview.gov.

The Homework Assistant Program is sponsored by The Friends of the Mountain View Library and the City of Mountain View Recreation Department. Brainfuse is funded by The Friends of the Mountain View Library.
